In the heart of Southport

Life at 188 Lord Street is for those who value choice; the choice to relax in a top quality apartment or just indulge yourself. The two bedroom apartments and penthouse suites have been designed to incorporate a balance between luxury and the facilities that Southport has to offer. Every aspect has been considered to take the stress out of modern life.

It is in the immensely privileged location of Lord Street that Maro Developments are building three exquisitely landscaped apartment blocks that fit well into the ambience of their location. Its mixture of matching designed buildings for the courtyard garden scenario and the separate more secluded block to the rear gives an overall look that is tremendously attractive - and the interiors are perfectly in tune with today's designer expectations.
